

## **Camping At Graceleigh Park**

BRASA met with SRRRC officials in December 2014 to clarify this area.

Camping is unofficially tolerated by the SRRRC; unless tourists stay for an extended period. No-one from SRRRC will come on weekends if locals report the campers.

Camping is allowed for any events held on Graceleigh Park. SRRRC needs to be informed ahead of time for protocol reasons. Michael Wallace from the SRRRC implied that it would be just rubber stamping.
